

# Income: Tracts Demographic Report City of Lynchburg, VA

#### About This Report

While the City of Lynchburg strives to make the information within this report as timely and accurate as possible, the City makes no claims, promises, or guarantees about the accuracy, completeness, or adequacy of the contents of this report, and expressly disclaims liability for errors and omissions in the contents of this report. No warranty of any kind, implied, expressed, or statutory, including but not limited to the warranties of non-infringement of third party rights, title, merchantability, fitness for a particular purpose or freedom from computer virus, is given with respect to the contents of this report or its links to other Internet resources.

The information appearing within this report is for general informational purposes only.

This report was generated using Esri's Community Analyst. Esri's business, consumer spending, and demographic data encompasses a wide variety of datasets that are updated quarterly, semiannually, annually, and decennially in the case of U.S. Census data. For more details on the data included with this Community Analyst report and when it is updated, see the <u>Community</u> <u>Analyst Data Overview (http://doc.arcgis.com/en/community-analyst/help/data.htm</u>).

To learn more about Esri Demographics, please visit the <u>Esri Demographics Overview</u> (<u>http://doc.arcgis.com/en/esri-demographics/reference/what-is-esri-demographics.htm</u>).

Please contact the GIS Team if you have any questions regarding this report or would like to request additional demographic data. gis@lynchburgva.gov
